

FICS ASSEMBLY AND SYMPOSIUM BERLIN 2019

EXHIBITOR AND SPONSORSHIP PROSPECTUS

20 March 2019

Maritim Hotel Berlin

Germany

A whole day of interacting and demonstrating your products and services to over 150 of your direct buyers

Who is FICS?

FICS is the body that represents sports chiropractic at an international level and is the thought leader in the sports chiropractic profession. It is comprised of national chiropractic sports councils and individual members worldwide and has affiliations with international organisations within the chiropractic profession, the educational sector and the world of sports.

What is the FICS Assembly and Symposium?

The FICS Assembly and Symposium is the event that brings all the sports chiropractic membership together in one location to: report on the health and future of FICS; attend presentations, seminars and listen to key note speakers on the featured topic; be exposed to the latest sports chiropractic research; network with the leaders in sports chiropractic worldwide; and to network and socialise with peers.

If you stay on for the WFC/ECU Congress you will have the opportunity to celebrate chiropractic care with up to 1,000 chiropractors from over 40 countries.

What are the Benefits to you as a Sponsor?

When you sponsor FICS we will ensure that this partnership compliments your existing brand values, enhances your image, and provides a platform to increase the positive community perception and credibility of your business.

Your investment will assist FICS to provide volunteer sport chiropractors at international sporting events to support elite athletes to perform at their optimum, support the development of the profession, and invest in research to identify better forms of care.
